## Tanaka Farms Fieldtrip

Tuesday, May 1, 2018

### Tanaka Farms U-pick Strawberry Field Tours

This is a one-hour long, wagon ride around the farm. Tour guides will speak on farming methods, history on this scenic tour. All participants will be able to sample many fruits & vegetables that are in season. The last stop is the strawberry patch where you can pick while eating strawberries! All students will take home a one-pound basket of delicious strawberries. We will travel by school bus and leave by 8:45AM for a 10AM tour. We are expected to return by 1:30PM. The cost for this fieldtrip is \$20 per student. Chaperones cost \$7 or \$14 if you too want to pick strawberries. This is a beloved yearly excursion- we hope you can join us!
