WE ♥ OUR TEACHERS!

- Teachers are teachers 24/7; a unique breed. Year round & non-stop they commit themselves to a ministry of crucial work raising up a generation of faithful & inspired leaders of tomorrow. Our teachers @ St. Luke's are some of the most amazing, strong & faith filled women I know! These ladies deliver so much to our students (*and families*) on a DAILY basis- patience, motivation, love & support. Join me this week as we pay tribute & celebrate their invaluable contribution to our lives.
- **Please participate in the following Daily Themes:**
Mon: Bring in a personalized Thank you notecard.
Tue: Bring in a fresh fruit or sweet treat.
Wed: Bring in a fresh flower for a colorful bouquet.
Thur: Bring in a Lottery Scratcher.
- **Wednesday** is our Teacher Appreciation Luncheon... We need parent helpers from 12:30 – 2:30 to watch over our Nap rooms while the staff enjoy a Garden Luncheon.
- While participating in our daily themes, please do not forget our Floaters- Ms. Johnson & Ms. Sarne
